Amami Wildlife Center

You can learn about Amami's precious animals and plants. Stuffed animals and models of rare species are exhibited. All ages can learn while enjoying themselves. (Free admission)

Materiya Waterfall

Meaning "basin of the beautiful sun" in Amami dialect, this waterfall is located high on the mountain. This spot is cool during summer days and it was once a place to rest for travelers. Accessible by car.

Taken Kenmun Park

A great photo spot featuring a giant banyan tree right next to a seaside bus stop. Look for a figure of a Kenmun (Amami's holy spirit)

Shodon Indian Coral Tree Road

A forest of big indian coral trees along Shodon beach in Kakeromajima island. The trees are said to be 300 years old. Their beautiful red flowers in May and June.

Recommended Tour Course

Visit recommended spots efficiently with these courses. As Amami Oshima is large with many mountainous regions, using a rental car or the public bus service is recommended.
